CAREER OBJECTIVE

To obtain a challenging entry-level position in software or web development where I can leverage my technical skills in Python and full-stack technologies, contribute to meaningful projects, and continuously grow as a professional.

SUMMARY

Final-year Information Science and Engineering student with hands-on experience in Python development, web technologies, and database management. Strong problem-solving abilities with a focus on building efficient and user-friendly applications. Experienced in working on academic and real-time projects with team collaboration and mentorship.

EDUCATION

B.E in Information Science and Engineering
Sir M Visvesvaraya Institute of Technology, Bengaluru, Karnataka
Graduated: May 2025 | CGPA: 8.17

Diploma in Computer Science and Engineering
Government Polytechnic Chitradurga, Karnataka
Graduated: 2023 | Percentage: 75.6%
SSLC
Government High School, Hosur-Tumkuru
Graduated: 2019 | Percentage: 66.4%

PROJECTS

Smart Agriculture Monitoring System
• Built a smart system to monitor environmental conditions (humidity, temperature, motion) using sensors.
• Integrated mobile notifications for motor on/off control.
• Utilized solar power for energy efficiency.

Online Job Portal
• Developed a full-stack job portal web app that connects job seekers with employers.
• Features included resume upload, job tracking, and smart search.

Online Voting System
• Developed a secure online voting platform using PHP, MySQL, and JavaScript.
• Implemented encryption techniques for voter data security.
• Conducted testing with 500+ users, improving satisfaction by 30%.

TECHNICAL SKILLS

Programming Languages: Python, C
Web Technologies: HTML, CSS
Database: MySQL
Framework & Libraries: Django, Pandas
Soft Skills: Communication, Problem-Solving, Teamwork, Motivated Attitude

CERTIFICATIONS

• Python Full Stack Development – Netzwerk (June 2024)
• Python Basics – Skill Dzire (July 2024)
• Introduction to Microsoft Excel – Coursera (May 2024)

INTERNSHIP

Python Development Intern
Advi Group of Companies, Bangalore
Oct 2023 – Nov 2023
• Worked under direct mentorship of the Managing Director.
• Integrated Python-based features into existing systems.
• Enhanced application performance and workflow efficiency.

LANGUAGES

- English: Intermediate
- Kannada: Fluent (Mother Tongue)
